

# Singapore Royal Rangers Advanced Expedition Camp

14 – 17, March 2018

“Developing the Heart of a Leader”

## GOALS

1. To train and prepare young Royal Rangers young men and women for leadership roles in the local outpost and local church.
2. To learn the importance of the patrol system. They will learn to function as leaders, leading 6-7 members in each patrol. They will also learn to function as supporting and contributing members of these patrols.
3. To learn specific skills corresponding to advanced merit and leadership skills. These skills will be taught and trainees will need to utilise these skills to solve authentic problems and fulfil task requirements.
4. To instil and emphasize that the foundation of a Royal Ranger leader stems from his/her daily, authentic and growing relationship with the Lord.

## THE PLAN

The Advanced Expedition Camp (AEC) will be conducted in an appropriate indoor and/or outdoor setting. The trainees will be divided into small groups. These groups will camp together as patrols at individual patrol campsite. The participants will live in tents, cook their food over a campfire (lunch and dinner each day), and share in patrol tasks and leadership responsibilities.

The time at AEC will be divided between instruction and application. Rangers are to work in their groups and assume different roles to plan and execute activities for other training camps. The emphasis in the training is to equip the trainees with valuable leadership skills such as effective communication, establishing a framework for planning and the integration of camping skills to engage others. The camp will help individuals to become more self-aware through the analysis of personal strength and weakness during sessions of feedback, discussion and reflection

## SPIRITUAL DEVELOPMENT

AEC will have a central spiritual theme of ‘Developing the Heart of a Leader’, which will be developed through a variety of different means. The goal is to help Rangers come to an understanding of the love of God and the love for others that drives ministry and leadership.

This will be achieved through individual Bible reading, appropriate age-level devotions, and evening council fire service.
