

Singapore Royal Rangers Discovery Leadership Camp

22 March 2019
“Attributes of God”

GOALS

1. To train and prepare Discovery Ranger boys and girls for leadership roles in the local outpost.
2. To learn the importance of the patrol system and how they, as leaders, can promote the outpost and an esprit de corps among boys and girls.

THE PLAN

The camp will be conducted in an indoor setting and the trainees will be divided into patrols. These patrols will work together to complete all projects, and will share in all patrol responsibilities. The patrol spirit will be cultivated by requiring each patrol to make bolo ties and to develop a song and yell for their patrol. Each trainee will learn through activities, lecture, and games. Then the trainee will have the opportunity to demonstrate his/her knowledge of the instructions he/she will receive in each training class. This plan is designed to develop trained leaders, provide lifetime friendships, and receive a new vision of the opportunities of service.

SPIRITUAL DEVELOPMENT

DLC is purposefully designed with the intent of creating an environment where boys and girls can discover more about themselves personally and recognize the purpose God has for them spiritually.

DLC will have a central spiritual theme of ‘Attributes of God’, which will be developed through a variety of different means. The goal is to help develop a central thought in depth through a purposeful plan of individual Bible reading, scripture memory work, and appropriate age-level devotions. All of these times of spiritual growth will build upon each other, with the result being a very purposeful and in-depth focus. The spiritual growth opportunities, along with specific outlines to be delivered by the staff member(s) during the devotions in between lessons and during the evening council fire service.

Each spiritual growth opportunity is one more step for the trainees to take in approaching a deep understanding of the key spiritual focus of the camp. Much like climbing stairs one at a time, to each the ultimate goal of the top – each spiritual experience should build upon the previous and introduce the next.
