

Singapore Royal Rangers Advanced Survival Camp

14 – 17, March 2018

“Trusting in God”

GOALS

1. To train and prepare Royal Rangers young men/women for leadership roles in the local church by giving them an opportunity to be junior leaders for younger rangers.
2. To learn the value of trusting God, while gaining advanced skills in the areas of wilderness survival and working as a team

THE PLAN

Advanced Survival Camp (ASC) is a mentally and emotionally intense training experience comprising a 2D1N survival camping followed by a 2D1N leadership training.

The time at ASC will be divided between instruction and application.

In the first 2 days, Trainees will be placed into two-person survival teams and will undertake a 2D1N survival practical experience where they will construct an outdoor debris hut shelter and stay overnight in it. Teams will also learn skills such as advanced fire craft, butcher live animals for their meals, and any relevant camp skills.

In the subsequent 2 days, Trainees will be tasked to lead and mentor boys and girls aged 11 to 12 years old. Trainees will be required to demonstrate, explain and supervise the program as well as oversee the physical and social aspects of their wards. This will be done under the watchful eye of adult supervision.

SPIRITUAL DEVELOPMENT

ASC will have a central spiritual theme of ‘Trusting in God’ which will be developed through a variety of different means. The goal is to help Rangers come to an understanding of trusting God for their future, their relationships and every aspect of their lives.

This will be achieved through an individual Bible reading, appropriate age-level devotions, and evening council fire service.
